SUMMARY

Eager Software developer with a strong foundation in multiple programming languages and a passion for building innovative solutions. Eager to learn and contribute to a collaborative environment.

INTERNSHIP

- **Cyber Security Intern**

Cyber Cell Department Puducherry Police

June,2025

- **Future Interns**

Cyber Security Intern

February,2026

CERTIFICATES

- Python for Data Science, AI & Development
- Full Stack Software Developer Assessment
- Introduction to Cloud Computing
- Introduction to Software Engineering

EDUCATION

- **Bachelor of Technology in Computer Science Engineering with Specialization in Cyber Security**
SRM Institute of Science & Technology, Ramapuram
-On Going
- **Higher Secondary Certificate (12th Standard)**
Loreto Convent Intermediate College, Lucknow
-2023
- **Secondary School Certificate (10th Standard)**
Loreto Convent Intermediate College, Lucknow
-2021

PROJECTS

- **Student Portal** : Full-stack student portal with secure authentication, role-based access, and real-time data management. Implemented a responsive UI and integrated backend APIs for efficient student, course, and admin workflows.
- **Gesture recognition**: Dynamically adjusts on-screen element size and position based on real-time hand movements. Implemented computer vision models for tracking gestures, enabling smooth, intuitive user interaction.
- **Progress Tracker**: Full-stack progress tracker with real-time updates, secure user management, and complex state handling across integrated frontend-backend workflows.
- **Electricity Grid Cost Minimizer**: Applies an optimized implementation of Prim's algorithm to compute minimum-cost power networks from complex, weighted graph structures.

ADDITIONAL INFORMATION

- **Technical Skills**: C,C++, Java, Python, HTML, MySQL, AutoCAD
- **Leetcode**: 75+ questions solved
- **Languages**: English, Hindi
- **Activities**: Active member of the College Technical Club "ELEET"
